Tournament Rules:

- We will follow the Official USSSA Baseball Rules, with the following exceptions:
- Games will consist of 6 innings.
- Base lengths will be 65' and the pitching will be 46'.
- A new USSSA rule this year allows teams to bat 9, bat 9 with an EH, or bat the entire line up. Each team must inform their opponent and umpires of their intentions prior to the start of each game. Teams must also end the game the way they start.
- 1 hr 40 minute time limit. No inning will start after said time limit expires. Time starts for the next inning upon the last out at the bottom of the just completed inning. **In preliminary rounds, if the game is tied at the end of the time limit, teams will place the last two players who batted from the line up the previous inning on 2nd and 3rd base (last batter on 2nd and the 2nd to last batter on 3rd base). The inning will start with 1 out and a maximum of 1 extra inning will be played. If the game is still tied after 1 extra inning of play, a winner will be determined by the following tie breakers: (1) number of walks allowed, (2) number of walks allowed through 3 innings, (3) coin flip.** The same time limit applies to the Seeding Games, but the games must be played to a winner. No time limit for the Championship games. The home plate umpire will keep the official time and call it out at the beginning of the game.
- A Courtesy runner for the catcher or pitcher allowed any time. Have catcher ready to go at the start of the inning. Courtesy runner must be someone not currently or previously in the game. If all players have been used, the last out from the previous inning will be the courtesy runner. No single individual player can courtesy run more than once in an inning.

- Run Rule: 15 after 3, 10 after 4, and 8 after 5.
- The game is official after 4 innings if called because of weather. If called before that it will be considered a suspended game and play will resume at that point.
- The Tournament Directors reserve the right to alter the format of the tournament due to weather or other unforeseen circumstances.
- Have teams warmed up and ready to go at listed game time. No Infield will be allowed.
- 1st team listed on the preliminary round schedule will have the 3rd base dugout. During the tournament round, the higher seed will have the 3rd base dugout.
- Flip before the game will determine home/visitor.
- 8 warm up pitches before the game and when a new pitcher comes into the game. 5 pitches between innings.
- Pitching limitations: No pitching restrictions. Please use common sense. **NO WIN IS WORTH RUINING A YOUNG ARM!!!**
- **Balks: No warnings.**
- The home team will have the official book. Each team's scorekeeper should check with each other to confirm the score at the end of every inning.
- The Tournament Director or a Field Supervisor will be present at each facility so that tournament management will be present at all times.
- ***The home team is responsible for filling out a game report form at the end of each of game. The score, runs allowed, and each coaches' signature need to be on the form. Please hand into the Field Supervisor or to the Tournament Director at the end of your game.***
- **Seeding for the Tournament Round will be based on the following criteria:**
 1. Seeding based on win-loss record
 2. Ties decided by fewest Runs allowed in preliminary games
 3. Walks Allowed
 4. Walks Allowed in first 3 innings
 5. Coin Flip
- Umpires' rulings are final. No protests. Please support the umpires. Thanks!!
- **Each team needs to provide two new baseballs (Diamond DOLA or equivalent) to the field representative at your location before the 1st game.**
- Each team needs to have birth certificates for each player on the roster. Every team that participates in a USSSA Sanctioned Tournament MUST have their team's roster on line in the USSSA system.
